

Community Policy

This Board has a commitment to a collaborative two-way relationship with all the school's communities. It sees communication and consultation as major factors in developing excellent relationships with the community.

The board will not fail to:

- effectively communicate with parents and the wider community on issues relating to the governance of the school.
- report to parents as per legislative requirements.
- consult with the school's community on major issues and generally at least every two years.
- follow a complaints procedure as outlined in the policies and procedures document.
- consult with local iwi/hapu on matters relating to Maori protocol
- ensure that community use of facilities is appropriately managed
- ensure the school's name and logo is appropriately used
