

Lynmore School Cybersafety Pupil Use Agreement

Read this sheet carefully, and then keep it so you can refer back to it.

These are the important rules I must follow:

1. I cannot use the Internet at school without signing and handing in this Use Agreement.
2. School computers are to help me with classroom learning. They are not for play.
3. It is important to keep safe while using the Internet and e-mail. This means I must follow the school's safety rules.
4. The only time I can use the Internet and e-mail at school is when a teacher is supervising me.
5. I am not allowed to try and look up things on the Internet which I know are not for children. This might be inappropriate content, or information which is dangerous. Some of it is against the law. (If I do not understand I will ask my teacher.)
6. I must be sensible when using the Internet and other communication technologies. I know that I must not do anything that would hurt me or someone else, even as a joke.

I agree that:

I will take care of our computers:

- I will not damage any equipment or furniture.
- I will not use any school computer for arcade-style games.
- I will not copy any software.
- I will not bring software from home to use on a school computer.
- I will not print anything without the permission of the teacher.
- I will use disks only to back up work or to take work home/back to school.

I will be considerate of other users:

- I will not monopolize equipment - I will share.
- I will not deliberately disrupt the computer or the school's network.
- I will not be involved in electronic vandalism, like viruses.
- If I accidentally come across dangerous, mean or rude material I will immediately tell the teacher, without showing any other students.

I will look after myself sensibly:

- I will not give anyone on the Internet information about myself or others – this includes addresses and phone numbers.
- I will tell the teacher if I come across any problem or if I am not feeling safe.

I understand that if I break this agreement in any way I may lose the right to use the Internet and computers at school. As well, the school may tell my parent/caregiver and may also take disciplinary action against me.

Lynmore Primary School Cybersafety Use Agreement

I have read my School Cybersafety Policy and Use Agreement, and I know what the school rules are about the use of computers, the Internet and other communication technologies. I know that if I break these rules there may be serious consequences:

- My parents/caregivers may be told.
- I may lose the right to use school computers and the Internet.
- The school may also take disciplinary action against me.

Parents / Caregivers

I have read the School Cybersafety Policy and Use Agreement and understand that my child may not access the Internet at school without this Use Agreement being signed and returned to school. I also understand there may be serious consequences if the rules are broken. I have gone over the information with my child and explained its importance. I understand that if my child steals or damages equipment this could result in the home receiving a bill for the cost of replacement parts or repairs.

I understand that while the school will do its best to restrict student access to offensive, dangerous or illegal material on the Internet or other communication technologies, it is the responsibility of my child to have no involvement in such material or activities. I also understand this Agreement applies to communication technologies my child brings into the school environment.

I give my permission for Room

To be given access at school to computers, the Internet and other communication technologies.
