

# **Health & Safety Policy (expressed as limitations)**

Students and staff shall have a safe physical and emotional learning environment.

Therefore, the Principal shall not fail to:

- take reasonable steps to protect staff and students from unsafe or unhealthy conditions.
- take reasonable steps to provide an emotionally and socially safe environment for staff and students.
- provide a smoke free environment
- ensure risk analysis management (RAMS) is carried out where and when appropriate.
- review and authorise planning and RAMS relating to trips and excursions according to BoT protocols
- consult with the community regarding the health programme being delivered to students.
- provide privacy of personal information held at school, in all forms.
- meet current legislation relating to matters of health and safety.
