LYNMORE SCHOOL RECEIVES RECOGNITION FOR OUR LASTEST ERO REPORT FROM THE MINISTER OF EDUCATION

Hon Chris Hipkins

MP for Rimutaka

Minister of Education

Minister of State Services

Leader of the House

Minister Responsible for Ministerial Services

31 JAN 2020

Craig Kilmister
Chairperson
Board of Trustees
Lynmore Primary School
Iles Road
Lynmore
ROTORUA 3010

Dear Mr Kilmister

I have been informed by the Chief Review Officer that Lynmore Primary School has recently been reviewed by the Education Review Office and that ERO's overall evaluation is that your school demonstrates strong performance in achieving valued outcomes for your students. He has sent me a copy of that report for my information.

I am aware that the criteria leading to this decision by ERO are demanding. I congratulate all involved for the work you are doing to ensure your school is providing a high quality of education for its learners.

This must be very encouraging for you and I commend you, your Board and the Principal, Lorraine Taylor, for the leadership you have all shown, and the staff for their focus on learner achievement. In particular, I note the positive impact the school is having responding to children whose learning and achievement need acceleration.

Thank you for the important contribution Lynmore Primary School is making to the education of New Zealand's young people.

I have included a copy of this letter for Ms Taylor.

Yours sincerely

Hon Chris Hipkins
Minister of Education

FROM THE PRINCIPAL

Letter from Hon. Chris Hipkins MP – Minister of Education

We were very pleased to receive a letter from the Minister of Education this week congratulating us on our excellent school inspection from the Education Review Office (ERO). It is a huge privilege to receive a letter of congratulations like this and once again I thank you for your support as parents and for the fantastic children you send to us every day. Lynmore is a great school, we have an outstanding, skilled and dynamic team and it is a great place. Many thanks.

Love to Bike – Aotearoa Bike Challenge

We are keen to continue promoting outside activities and events which are easy to become a part of. The Aotearoa Bike Challenge is a fun way to record all your bike rides and be in with a chance to win some great prizes. It is completely free to sign up.

<https://www.lovetoride.net/bop?locale=en-GB>

Bike Week is coming up from 17th – 21st February and we will be encouraging children to ride to school and take part in some fun activities.

Aotearoa Bike Challenge; ‘Bike Week’ (Monday 17th- Friday 21st February) at Lynmore School

The Aotearoa Bike Challenge saw record participation last year, with over 3 million kilometres ridden in a month. This year Lynmore School will be joining in, alongside other local schools, to get as many people riding as we can. Our school can be in to win prizes for event creativity and highest participation, thanks to Sport Bay of Plenty. So check out the timetable in this newsletter, schedule in the events and get involved as a family. As always with this kind of thing, we will need the support of our school community, so if you can give your time and skills, or donate prizes or sponsor an event we'd love to hear from you. **Please contact the school office, or Jen Bridson (0211799855) or Clare Maginness (0210557747).**

Powhiri - Thank you!

Thank you to everyone who came along to our welcome powhiri on Monday. We had record numbers of parents attending with over 50 people being welcomed to the school – it was great to see you all.

Donations and EOTC

This year will see a change in the activity fee and donations which will have a significant impact on our ability to pay for school trips and activities outside the classroom. **As a decile 9 school** we are no longer able to ask for money for trips and are also not eligible for the \$150 per child which is available to every other school in Rotorua directly from the government.

We will essentially be relying on the goodwill of parents in paying some or all of the \$150 donation to enable us to run school trips.

As a comparison in terms of funding from the government

A decile 1 school receives around \$900 per annum per pupil operational funding PLUS \$150 per annum per pupil paid activity fee directly from the government.

A decile 10 school receives around \$25 per annum per pupil operational funding and no government funded \$150 activity fee.

FROM THE PRINCIPAL *continued*

We are still able to ask parents for a **voluntary donation** which we have set this year at \$150 for the first child and \$75 for subsequent children. You can pay this off on automatic payment over the year if you prefer or pay the voluntary donation in one go. The school bank account number is: 031552 0181545 00 (Westpac, Rotorua). The reality is without most people paying the voluntary donation we will not have many trips outside of the classroom unless they are virtually free in 2020. Camps / surf safety etc. will be similarly impacted.

Ridiculous Rhymes Show UK - CBBC

We are very excited to have Jo, Andrew and the team from CBBC's Ridiculous Rhymes Show UK with us on Monday. They are running 3 workshops with our children as part of their New Zealand tour. You can read more about them at:

laughnlearn.co.uk/info-for-parents

The cost to the school for the show is \$5.00 per pupil. We will be covering this with money donated from various sources for this first event of the year, you don't need to send \$5.00 in. We are trying hard to ensure all students are included in all events, however this will not be possible without the school donation from parents for all future shows and events or an alternative source of financial support. Many thanks.

Meet the Teacher

Many children will have transitioned with the same teacher from 2019 but we are still running a meet the teacher afternoon for those of you who are new to the school or who have a new teacher in 2020.

On Wednesday, 12th February from 3.30 pm we have a "Meet the Teachers" afternoon at school. We will also be running an information session on the new proposed building. You will be able to come along and see the plans and give your thoughts on the proposal. This meeting will be held in the staffroom, above the Library.

YMCA Before and After School Care

The fabulous team from the YMCA have taken over before and after school care in the hall. They are up to over 30 enrolments now and are still keen to take more.

Please do contact them if you require any child care before or after school each day.

They are an amazing and fun team and we think you will enjoy the services and programme they are running. Please see the advert in the newsletter and contact the team to enrol.

Update your emergency contacts:

Please drop Mary-Anne a message reception@lynmore.school.nz if you have changed your address or cell phone number so that we have the most up to date contact details for you in case of an emergency. Many thanks!

Tremains Real Estate - Thank you!

A big thank you to **Karl Hereford from Tremains Real Estate** for the donation of \$500 from the recent sale of a house in Lynmore. If you are thinking of buying or selling please consider contacting Karl, he is a big supporter of the school and we are very thankful to him.

[Karl Hereford Residential Specialist - 021 527 513 or www.tremains.co.nz](http://www.tremains.co.nz)

FROM THE PRINCIPAL

Congratulations

To Cameron Smith! Cameron is an ex-Lynmore School student who has gone on to achieve outstanding success in 2019. **Cameron has been awarded DUX, Year 9 Academic Achievement Award at Rotorua Boys High School 2019.**

Cameron was recognised as having **passed the Year 9 with Excellence and came 1st in his year for academic achievement.** Cameron had a busy year academically as well as with sport. Cameron's passion is football and he returned from China having **competed in the Gothia Youth World Cup 2019 for Soccer with a New Zealand select team**, where he played against teams from all over the world. Cameron loved the experience and to have competed at that sporting level and be awarded the academic achievement is testament to Cameron's hard work and dedication. We are super proud of Cameron and the exciting pathway he is on for the future, we are very proud to have played a small part in his success. Well done Cameron.

Coronavirus

Update 1

Tuesday 28th January 2020

We are all very aware of and concerned by the emergence of the Novel Coronavirus (2019-nCoV), originating from Wuhan in China. Keeping our community informed and safe is of utmost importance and as such, we are taking steps to safeguard our families.

A register is being compiled of all staff and students who have visited China since the 13th of December 2019. All individuals on the register will be carefully monitored. Please follow this link to self complete the register <https://forms.gle/RsuPuH2tL6FUBnN87>

If you feel unsafe sending your children to school under the current changing conditions please let us know so that we are aware of your decision.

We have no record of any staff or students visiting Hubei Province over the last two months.

If your family has visited Hubei Province please notify reception immediately.

Parents, please be vigilant in monitoring the overall well-being of your children over the coming weeks. Please do not send students to school who have a fever, cough, shortness of breath or who exhibit flu-like symptoms i.e. runny nose, sore throat, malaise or muscle aches. Please also remind students of the need to take extreme care with personal hygiene, practising good cough and sneeze etiquette. Cover coughs and sneezes, dispose of contaminated products like tissues immediately and wash hands properly.

If a student still attends school while showing symptoms the Principal of a state school can preclude them if they believe on reasonable grounds they may have a communicable disease (Section 19 Education Act). The student has to stay away for the infectious period of the specific disease. It takes 2 weeks to incubate.

For further information, please visit the sites below.

<https://www.safetravel.govt.nz/news/novel-coronavirus-wuhan-china>

<https://www.health.govt.nz/our-work/diseases-and-conditions/novel-coronavirus-2019-ncov>

Please rest assured that families will be updated in the event of further information becoming available or additional measures being taken to safeguard our community.

We are very appreciative of your support in this matter.

Yours sincerely,

Lorraine Taylor
