**More Play
Based
LEARNING
AND FUN!**

**Check out the
shop and the
pizzas!**

Making an outdoor restaurant was lots of fun and great learning happened. One of the most important parts of setting up a great dramatic play center is creating an opportunity for role play. Our students are easily able to get into "character" and there is very little bickering about who gets to cook, who gets to run the cash register, and who gets to take the orders. Writing was done for a purpose by making signs and creating a menu.

FROM THE PRINCIPAL

Rutherford Whanau Survey for Engagement

Our school has decided to participate in a strengths-based research project about how students learn, succeed and thrive at school. This project is being conducted by Dr Melinda Webber from the University of Auckland and has been funded by the Royal Society of New Zealand, Te Apārangi. Our school would like to invite you and your school aged child/ren to take part in this important research project by completing short questionnaires – either online or in hardcopy.

Completing this survey will help our school to find out more about how our students develop positive attitudes, engagement and aspirations towards school, and who their role-models for success are. Overall the questionnaires will help to better understand the personal, teacher, whānau and community factors that positively impact our students learning and success at school.

This study involves you:

- #Completing a questionnaire about your child's attitude, engagement at school and their future aspirations. It also asks you to nominate and describe a family, tribal or local role-model for your child.
- #Giving permission for your child to also complete a questionnaire at school about their attitude, engagement at school and their future aspirations.

Each questionnaire should take between 15-30 minutes to complete. If you agree to participate please complete a questionnaire and return it to the school office. Alternatively, you can complete the survey online by logging onto the following Qualtrics link. https://auckland.au1.qualtrics.com/jfe/form/SV_8FWVPKvH0HmYKTb

Should you agree to your child's participation, please discuss the project with them. They will complete the questionnaire during school hours in a way that causes the least amount of disruption to their learning. Your child may ask for a support person/teacher to help them complete the questionnaire if they wish.

If you do not consent for your child to participate in this research project, please let your child's teacher know as soon as possible. Your child's teacher will be in contact with you via SeeSaw with more details.

Ngā mihi mahana ki a koutou ko tō whānau. Thank you for taking the time to consider this research.

Nāku iti nei,

Dr Melinda Webber, (Ngāti Whakaue, Ngāpuhi, Ngāti Kahu)

Drop Off Zone Closed -EVERY Wednesday for Walking and Wheels Wednesday

We are closing the drop off zone every Wednesday to encourage walking/biking to school – next Wednesday, 11th March is our first day of being closed from 7.30 am – 2.30 pm. Many thanks!

Celebrating your children

Well done to Alia Holster Haidzir for her success in having her writing published in Toitoti magazine <https://www.toitoti.nz/>. Also published in the same magazine is her sister Sophia – well done Alia! You are a super writer.

Congratulations to the boys who played cricket last week for their great sportsmanship!

Congratulations also to Daniel (16a), his mate Asahi Yamada (17) and a gaggle of Lynmore School mates who had fabulous fun this morning at the inaugural "Great Obstacle Challenge" held at the Aquatic Centre. Also doing the challenge were Ben Thorlby and Sam Jensen (and a soccer teammate, Dakota, from Waikite Valley). All kids Year 3. These guys gave it heaps and had awesome fun balancing, tunnelling, climbing, jumping, sliding, running around a huge course and best of all doing it with friends. They did Lynmore school proud.

As always, have a great week.

Magical Malaysia

I love Malaysia. My dad is from its capital city, Kuala Lumpur. Malaysia has unique food which is delicious but smells quite stinky. For example, Malaysian people, including my dad, absolutely love durian. You could say it has an explosive taste. When we visit Malaysia, I say to my dad, "Can you please not buy that stinky fruit because it smells gross!"

My dad always says, "It's the King of Fruits!" I think I prefer feijoas, even if Dad says they taste like Palmolive soap.

Malaysia has the best food in the world, like waffles and roti canai, a flat bread that you eat with an Indian curry called dahl. Malaysians love curry. It is a very delicate food with a wonderful flavour and texture. It is delicious and tingles in your mouth.

Malaysia has exotic monkeys and huge elephants where New Zealand has musical tūi and nocturnal kiwi. In Malaysia, monkeys are very cheeky. Once when I was there, a monkey stole our plastic bag full of kuih. The restaurant owner pulled out a slingshot and a stone and aimed it at the monkey. BOOM. We got our food back. I couldn't believe that the man had a slingshot.

Malaysian people are gentle and kind. I was so sad when Malaysian people died at the mosque in Christchurch. They are so generous and have dazzling smiles.

I am lucky to have a Malaysian dad and Kiwi mum. I have the best of both worlds.

Coronavirus Update #3 Lynmore Primary School Monday 2nd March 2020

Dear Parents and Caregivers,

We are mindful that you may wish to be reassured of the latest precautions we are taking at the school to ensure the continued well-being of pupils and staff in relation to Coronavirus. The advice we are following is both from the World Health Organisation (WHO) and local government bodies and is continually monitored and updated.

With many people having travelled for holidays, or considering travelling, **we wish to bring your attention to the latest updates on an extended list of geographies which now will be subject to a self-quarantine process upon return.** In addition to existing restrictions to anyone returning from China, travellers from the following geographies must now self-quarantine:

- Iran
- Specific lockdown areas in Northern Italy as designated by the Government of Italy (one of the eleven towns in Lombardy or Veneto in Northern Italy)
- Special care zones in South Korea as designated by the Government of the Republic of South Korea

Please note the period of quarantine for travellers returning from affected countries is 14 days. Additionally may we remind you that anyone who has travelled in the last 14 days to the following destinations, who develops symptoms, even mild, of cough, fever or shortness of breath should immediately self-quarantine and contact local medical authorities and **any pupil returning from these destinations must inform the school:**

Northern Italy (defined by a line above, and not including, Pisa, Florence and Rimini), Vietnam, Cambodia, Laos, Myanmar, Thailand, Japan, Republic of Korea (areas not included above), Hong Kong, Taiwan, Singapore, Malaysia, Philippines, Macau

If you are travelling or have friends or family who are visiting from overseas, please do ensure you are up to date with latest information on these destinations. Information can be found

at <https://www.health.govt.nz/our-work/diseases-and-conditions/covid-19-novel-coronavirus>

Medical approvals continue to be required should any children, staff, parents or visitors wish to come to school if quarantine has been applied or they have returned from a high-risk country.

As people consider holidays in the coming weeks, we ask that any pupil or family who intends to travel to/from, or have direct contact with anyone from, a Coronavirus affected area, to inform us immediately. Most government agencies are currently advising against traveling to Hubei Province and China. Any pupil, parent or visitor who has travelled to or been in direct contact with anyone from a Coronavirus affected area may be asked to remain at home or with guardians to prevent the potential spread of the virus.

It is **essential at all times that everybody respects these rules** in order to minimize risks.

Based on the current evidence from WHO there is no immediate cause for concern, however you will be aware that we have additional precautions already in place including:

- habitual hand washing and using hand sanitisers as a precaution
- all staff will be briefed on the signs and symptoms of the Coronavirus

We will obviously keep you informed with any changes in official advice. Should you wish to discuss any of the above, please do not hesitate to contact us.

Yours sincerely,

Lorraine Taylor

Pua Tahi (Year 5 /6)			
Room 2 <u>Chloe</u> <p>It is such a privilege to have you in our class Chloe. You are incredibly diligent, a role model to your class and an asset to the school. You show aroha in all that you do; helping those in class, putting your hand up for jobs and even helping out with charity events in the community. The world is a better place with you in it. Keep up the amazing mahi!</p>	Room 3 <u>Kaito</u> <p>For your curiosity, enthusiasm and passion for science and nature! This shone through with the knowledge you shared with us on our Lake Okareka bush walk. Kaito, I also love your ability to think creatively and come up with out-of-the-box ideas. We are lucky to have you in Room 3.</p>	Room 1A <u>Hamish</u> <p>For always continuing to do the right thing. I have been so proud of how you have stepped up as a positive role model for Year 6 and making the most of the leadership opportunities. It is an absolute pleasure having you in Room 1A.</p>	Room 1 <u>Ashton</u> <p>For all the hard work that you have been doing in class. You have shown courage by voicing your thoughts and opinions in our class discussions. You have shown courage by asking to borrow others ideas for your authorship notebook and you are beginning to step up for leadership opportunities. Continue to open up and keep up the good mahi!</p>

StarJam – Frequently Asked Questions

What is StarJam?

StarJam is a national not-for-profit organisation where young New Zealanders with disabilities unleash their full potential through the magic of music, dance and performance. Our nationwide workshops, gigs and events connect our young people with disabilities (Jammers) with their passions, peers and wider community.

Who can join StarJam?

StarJam workshops are for anyone with a disability in between the ages of 6 and 25 years old.

When do StarJam workshops take place?

StarJam workshops take place on weeknights during the school terms, from 6.30pm-8pm. We are yet to confirm which night the workshops will take place on in Rotorua.

Where do StarJam workshops take place?

Our workshops take place at accessible community venues e.g. schools, community centres, dance studios etc. We are yet to confirm the location of the Rotorua workshops.

How much does it cost to attend StarJam?

There is no cost to attend StarJam, however we encourage our families to consider making regular monthly donations.

What sort of workshops does StarJam offer?

We offer dancing, singing and drumming workshops.

How many Jammers are in each workshop?

We have space for up to 12 Jammers in each workshop.

How is a StarJam workshop facilitated?

There is one paid Tutor per workshop, who is supported by 2 or 3 Volunteers. It will be the same team of people there each week to support the Jammers. All team members are police vetted and fully orientated.

How is StarJam funded?

Most of our funding comes through Grants (from Trusts, Foundations, Community Grants etc.) and some of it is self-generated fundraising e.g. events, donations, publicity etc.

How is StarJam run?

Our StarJam head office is based in Auckland, where our CEO, National Programmes Coordinator, Auckland Programmes Coordinator, Grants Writer, Accounts Administrator and Events Coordinator are based. We also have Regional Programmes Coordinators based in the Waikato, Wellington and Christchurch.

We plan to hire a part time Area Programmes Coordinator to manage StarJam in Rotorua, who will report to the National Programmes Coordinator and CEO. It's important to us that all workshops across all regions are run the 'StarJam way' for health and safety reasons and to ensure all Jammers receive best practice.

How can I enrol someone into StarJam?

The first step is to email info@starjam.org and express your interest.

Lynmore School is delighted to announce that
YMCA NORTH will be providing the Out of School Care
at Lynmore School from the start of Term 1, 2020

Out of school care

Kia ora!

We're delighted to become part of the Lynmore community and are looking forward to getting to know you and your families soon.

Introducing ourselves

YMCA North has been building strong kids, strong families and strong communities for more than 160 years. You might know us from our gymnastics, basketball, dance, holiday programmes, early childhood education, or camps... and that's just what we do for children!

All this experience means we're a safe pair of hands when it comes to creating fun positive spaces where children can relax and learn, while being mentally and physically active. All our programmes are run in line with our values of caring, honesty, respect and responsibility.

YMCA is a not for profit organisation, which means that we reinvest surplus into programmes that benefit your community.

Caring for your children

YMCA North is New Zealand's first and only accredited safeguarding children organisation. This means that we have gone above and beyond legal requirements in gaining accreditation from ACF (Australian Childhood Federation) to make sure the wellbeing of your children is put first.

Safeguarding practices within the YMCA include:

- Strict safer recruitment processes helping to ensure all YMCA staff are suitable for working with children and young people
- A suite of safeguarding policies and procedures which guide staff in maintaining their professional boundaries and position of trust
- All YMCA staff attending mandatory annual safeguarding and refresher training

Pricing

For term enrolments:

Before School Care: \$12.00 (7am-8.30am)

After School Care: \$17.50 (3pm - 6pm)

This includes a healthy and nutritious breakfast (Before School) or a healthy and nutritious afternoon tea (After School).

WINZ subsidies and YMCA Fee Assistance are available for approved families. For more information on WINZ or to see if you qualify please visit the WINZ website. Unfortunately, WINZ bookings cannot be booked online, so please contact your YMCA team for more details.

YMCA uses Aimy Plus, a secure, easy to use online booking system. You'll need to create a profile and add information about your child on your first visit - future bookings are then quick and easy.
