Lynmore School says a “*BIG THANK YOU*” to our fabulous “Essential Service” people that helped keep our country running during Lockdown!

FROM THE PRINCIPAL ...

Lynmore Local Campaign

We are very keen to promote a **Lynmore Local Promotion** through our school newsletter, on our website and as a paper/digital campaign.

If you own or work for a business and have your children at Lynmore School we would love to promote your business at no cost to you. All you need to do is send us your logo and a blurb to publish to lorraine.taylor@lynmore.school.nz.

We will put this in our weekly newsletter in a **special new section**, on our website, out to the community on SeeSaw and in a printed brochure for the community.

Donations

If you are able to pay some or all of your annual school donation of \$150 per year we would really, really appreciate it.

We are the only Rotorua school which does not get the government subsidy of \$150 per child per year to cover fees/donations. Every other Rotorua school now has their school parent donation paid for by the government, as a decile 9 school we have been excluded from this scheme.

It means we lose around \$98,000 a year by not receiving this government money. We ALSO now don't have many international fee paying students as they can't currently travel to NZ. So all round it is a tough financial year for us. We will keep running a high quality programme but some of the things we want to do for students we can no longer sadly afford.

Teacher Only Day - Friday 3rd July (last day of term)

We are planning to have a Teacher Only Day to gather the whole teaching team here back together, face to face, for the first time since lockdown to get ready for the Term 3 programme. We are very aware that you do not need to have your children off school again too soon, we also know that the children are showing signs of being tired at the moment and that by 3rd July they will have been learning both face to face and online for 14 weeks with only the 4 day Easter break in between.

I am also mindful that the roads will be extremely busy on the first day of the **school term break (Monday 6th July - Friday 17th July)** as people get away to parts of New Zealand. We have therefore planned a Teacher Only Day for the last day of term (**Friday 3rd July**) to allow you to get on the road ahead of the traffic early if you need to. If you need childcare for the day the YMCA will be running their holiday programme in the school hall from Friday 3rd July - Friday 17th July. Please contact Karen Deane on 021 363 325 or 07 579 6530 should you require any further information on the YMCA programme.

Community/Principals Awards re-starting

We are going to re-start our whole school community assemblies in the school hall from this **Friday 12th June at 1.30 pm**. Parents are very welcome to attend.

Survey on future of school hours and days

We currently have a survey out to consider any changes we could make to the school week which would better suit families post lockdown. We are keeping the staggered end to the day until we have the survey results back and then will let you know well in advance any changes. Many thanks.

The survey closes this Sunday evening. There are 2 awesome prizes for 2 randomly drawn respondents to appreciate the time from parents to fill it in. 1 x \$50 Pak n Save voucher and 1 x \$100 Pak n Save voucher

Celebrating Successes

If you have anything your children have done outside of school that you are proud of please let us know and send me a photo so that we can celebrate with you in the newsletter. It could be sporting, cultural, environmental, a hobby, something arty or even that they just did something nice in the community for a family member or neighbour.

We really enjoy hearing about what children are involved in outside of school.

As always, have a great week

PERSONLISED EDUCATION PLANS (P.E.Ps)

Now that school life is returning to some sort of normality we would like to once again communicate the process of **P.E.Ps**. **P.E.Ps** are part of the ongoing learning partnership, and are developed as a working document. The focus of the **P.E.Ps** are largely around the building of the key competencies (Relating to Others, Participating and Contributing, Managing Self, Thinking, Using language, symbols and text) through our school values *Curiosity, Courage, Integrity, and Aroha*. The aim is to give young people the skills to learn anywhere and anytime.

How can you be part of this?

While teachers will be in touch before the end of the term to continue this process, please feel free to start contributing. The aim is for whanau, teachers and students to contribute to the timely celebration of achievements, goal setting, and development of effective strategies to support these goals.

When?

P.E.P meetings can be done virtually or in person and we aim to have these updated for all students by Friday Week 1, Term 3.

We look forward to working with you as part of this powerful learning partnership!

ICAS EXAMINATIONS 2020

Once again we are providing an opportunity for any interested Year 4, 5 and 6 students to be a part of the ICAS examinations. This year the ICAS assessments are in the areas of Digital Technologies, Science, Spelling, English and Mathematics.

Unfortunately the Writing exam has been cancelled for 2020. These exams are best suited to students that are working well at their level and/or students that enjoy competition and challenge. Please also consider how well your child has transitioned back from Covid-19 lockdown. If this is something you are interested in, please let your child's classroom teacher know so they can send an entry form home next week.

Please note that the final date for registration is Thursday, 2nd July. Registration forms cannot be accepted without payment, and due to administrative purposes no late entries can be accepted.

PARENT SURVEY...Responses please by this Sunday, 14 June

There are 2 awesome prizes for 2 randomly drawn respondents to appreciate the time from parents to fill it in.

1 x \$50 Pak n Save Voucher and 1 x \$100 Pak n Save Voucher

Please go to this link: <https://forms.gle/nrZEif6QYYT4uXS8A>

Chess

There are two upcoming chess tournaments:

1. The lichess.org Bay of Plenty Invitational Arena tournament is hosted every Wednesday at 6pm by Richard Totton. This is a FREE online, private tournament that is very suitable for beginning students who want to test their skills against some other beginning students in a small, friendly tournament. It can only be accessed by a tournament link and password. The tournament finishes at 7.30pm, and the faster the children play, the more games they get in the hour and a half the arena is open.
2. The monthly online Sarapu Cup is on this Sunday from 1pm – 5.30pm. You need to register your child/ren and it will cost \$30 per player. This is the best tournament to see whether your children are ready for the Rotorua regional chess tournament which is on **Monday 24th August**. Don't worry if they don't do well in this tournament as there is still plenty of time to learn and practice. To register go to Chesspower.co.nz>Tournaments>regional tournaments and scroll down the page to the event, or click on <https://www.chesspower.co.nz/event/351323> to register. Register before Saturday, and then login half an hour before the tournament starts on Sunday to let the organiser know you are ready to play.
