## THE CHICKENS AND RABBITS COME TO VISIT LYNMORE SCHOOL ...

Piglet, Nibbler and Minnie came to visit Rooms 1A and 2. These little darling rabbits belong to Carys and Briley. Fun facts were also learnt about these cuties!

Here are some cool pictures of Room 6's visitors last week. They learnt some fun facts about chickens and then used them as subjects for their art, drawing them in detail. Their names are Lemon, Brownie and Hot Chocolate. They came from a farm in Pyes Pa and belong to the Flay-Boukaram family.

## FROM THE PRINCIPAL ...

### Message from the Prime Minister Hon. Jacinda Ardern

We were very excited to receive a video message to Lynmore School from the Prime Minister. Room 2 and Room 8 both contacted her during the Covid-19 lockdown and today we got a lovely video message to both classes and to the whole school.

You can watch the video via the Daily Post article

[https://www.nzherald.co.nz/rotorua-daily-post/news/article.cfm?c\\_id=1503438&objectid=12340745](https://www.nzherald.co.nz/rotorua-daily-post/news/article.cfm?c_id=1503438&objectid=12340745)

### Donations

If you are able to pay some or all of your annual school donation of \$150 per year we would really, really appreciate it. We are the only Rotorua school which does not get the government subsidy of \$150 per child per year to cover fees/donations. Every other Rotorua school now has their school parent donation paid for by the government, as a decile 9 school we have been excluded from this scheme.

It means we lose around \$98,000 a year by not receiving this government money. We ALSO now don't have many international fee paying students as they can't currently travel to NZ. So all round it is a tough financial year for us. We will keep running a high quality programme but some of the things we want to do for students we can no longer sadly afford. *THANK YOU to everyone who has helped/supported us this year, we sincerely thank you!*

### School Photos

We have our annual school photos on Thursday 25<sup>th</sup> June. Booking forms are coming out today.

### Teacher Only Day – Friday 3<sup>rd</sup> July (last day of term)

We are planning to have a teacher only day to gather the whole teaching team here back together, face to face, for the first time since lockdown to get ready for the Term 3 programme. We are very aware that you do not need to have your children off school again too soon, we also know that the children are showing signs of being tired at the moment and that by 3<sup>rd</sup> July they will have been learning both face to face and online for 14 weeks with only the 4 day Easter break in between.

I am also mindful that the roads will be extremely busy on the first day of the **school term break (Monday 6<sup>th</sup> July – Friday 17<sup>th</sup> July)** as people get away to parts of New Zealand. We have therefore planned a teacher only day for the last day of term (**Friday 3<sup>rd</sup> July**) to allow you to get on the road ahead of the traffic early if you need to. If you need childcare for the day the YMCA will be running their holiday programme in the school hall from Friday 3<sup>rd</sup> July – Friday 17<sup>th</sup> July. Please contact Karen Deane on 021 363 325 or 07 579 6530 should you require any further information on the YMCA programme

### Community/Principals Awards this week

Whole school community assemblies in the school hall from this **Friday, 19<sup>th</sup> June at 1.30 pm**. Parents are very welcome to attend. Next week community will move back to 2.00 pm start.

### Survey winners

Congratulations to Faith McGregor and Petara Paul who won the \$50 and \$100 Pak n Save vouchers in response to our survey.

## FROM THE PRINCIPAL ...

### Congratulations

To the excellent Lynmore dancers who showed their skills on Eat Street on Friday evening – their flash mob was fun!

Congratulations to Emelia in Room 2 who won the Cubs and Scouts new badge competition. Her winning design has been made into a very cool sew on badge which the Volcanic Zone Club Camp will be using from now on. Well done to Emelia - what a fabulous achievement.

### PLEASE NOTE:

From next Monday, 22nd June all classes will finish at 3.00pm until the end of the year.

*(The staggered finish times will end tomorrow Friday, 19th June).*

The school bus will go back to it's usual time.

As always, have a great week, *Lorraine Taylor, Principal*

**PLEASE SUPPORT THIS GREAT CAUSE - OUR BIN IN THE FOYER OF THE SCHOOL OFFICE IS EMPTY...**

**Rotary Rotorua Passport Challenge!**

**Rotary Rotorua Passport Club** members have set themselves a challenge to each facilitate a collection of items to replenish the Salvation Army's food bank due to many families doing it hard through these challenging economic times.

If you're in a position to help others by donating an item of food (can, jar, baking ingredients, breakfast cereal, dinner ingredients such as sachets, biscuits etc) that would be greatly appreciated by our Rotorua community.

If you would like to participate and donate an item please drop off by **Friday 26th June**. We will have a container to drop items into at the school office and at the end of the month we will deliver these on behalf of the generous families of Lynmore Primary!

You'll also be able to follow your donation getting delivered on our Facebook page in early July.

Thanks! |

## Survey Results 2020 (72% response rate)

Huge thanks for your support in filling in this survey. It means a lot to us to get your thoughts and be able to adjust our policies and approaches to align with what you want to see for your family and children. The two immediate areas to look at are the start and finish times for the school day.

*The feedback was as follows:*

Do you like the staggered end to the day?

The majority of respondents (57%) said yes.

*The majority of respondents (57%) said yes.*

However, the second part to the question was, **what would be your preferred timings for the school day?**

**The majority (49%) preferred 9 am - 3.00 pm (our usual timings) however 51% of respondents would prefer a change.** Given this feedback we have decided to do the following. We will revert back to the 8.55 am - 3.00 pm start and finish times from Monday next week (22nd June) until the end of the year in December and the bus will go back to it's usual pick up time. We will however start investigating the possibility of more flexible schools hours/week from 2021 and a more flexible teaching programme including retaining more online options. It will involve a huge amount of consultation and working with other schools, MoE, parents and outside providers but there is certainly support from you to start looking at how we can run a more responsive programme. In the meantime **if you would like to retain a more flexible or shorter day for your children because it is working well for you, please let me know by email** so that we can make arrangements to keep accommodating what is currently working for your individual whanau.

Once again thank you, we are reading every piece of your written feedback and will try to accommodate as many people's preference for personalised education as we can. This has given us a great opportunity to rethink how and when we deliver individual education programmes as we head into the 3rd decade of the 21st century.

*Nga mihi*

**Lorraine Taylor, Principal**

## **PERSONLISED EDUCATION PLANS (P.E.Ps)**

Now that school life is returning to some sort of normality we would like to once again communicate the process of [P.E.Ps](#). [P.E.Ps](#) are part of the ongoing learning partnership, and are developed as a working document. The focus of the [P.E.Ps](#) are largely around the building of the key competencies (Relating to Others, Participating and Contributing, Managing Self, Thinking, Using language, symbols and text) through our school values *Curiosity, Courage, Integrity, and Aroha*. The aim is to give young people the skills to learn anywhere and anytime.

### ***How can you be part of this?***

While teachers will be in touch before the end of the term to continue this process, please feel free to start contributing. The aim is for whanau, teachers and students to contribute to the timely celebration of achievements, goal setting, and development of effective strategies to support these goals.

### ***When?***

P.E.P meetings can be done virtually or in person and we aim to have these updated for all students by Friday Week 1, Term 3.

***We look forward to working with you as part of this powerful learning partnership!***

## **ICAS EXAMINATIONS 2020**

Once again we are providing an opportunity for any interested Year 4, 5 and 6 students to be a part of the ICAS examinations. This year the ICAS assessments are in the areas of Digital Technologies, Science, Spelling, English and Mathematics. Unfortunately the Writing exam has been cancelled for 2020. These exams are best suited to students that are working well at their level and/or students that enjoy competition and challenge. Please also consider how well your child has transitioned back from Covid-19 lockdown. If this is something you are interested in, please let your child's classroom teacher know so they can send a registration form home.

***Please note that the final date for registration is Thursday 2<sup>nd</sup> July. Registration forms cannot be accepted without payment, and due to administrative purposes no late entries can be accepted.***

### **Science Ambassadors Wanted for the “Wonder Project”...**

If you're a STEM professional, the “Wonder Project” would love you to join our network of Wonder Project Ambassadors. You'll get all the training you need to support a teacher in their classroom for the Rocket Challenge. Induction training gets you up to speed with all things Wonder Project. Then specific Rocket Challenge training gives you lots of tips for engaging with kids on tricky subjects like Newton's laws. There's no need to be a rocketry expert to get involved! Our online learning hub will also support you throughout the challenge with 7 modules that guide you, teachers and students. It's easy to get involved – simply sign up online. We'll get in touch to discuss what's involved, get you to complete a criminal conviction declaration, and get you started with online training. We'll then match you with a local participating school. The challenge takes students 2 hours per week for 6–8 weeks to complete, but you only need to be available for 1 hour a week.

***If you think you could help and would like more information please with the [wonderproject.nz](https://wonderproject.nz) or email Mr.Doyle in Room 8 at [andrew.doyle@lynmore.school.nz](mailto:andrew.doyle@lynmore.school.nz)***

## Chess

*There are two upcoming chess tournaments:*

1. The [lichess.org](http://lichess.org) Bay of Plenty Invitational Arena tournament is hosted every Wednesday at 6pm by Richard Totton. This is a FREE online, private tournament that is very suitable for beginning students who want to test their skills against some other beginning students in a small, friendly tournament. It can only be accessed by a tournament link and password. The tournament finishes at 7.30pm, and the faster the children play, the more games they get in the hour and a half the arena is open.
2. The monthly online Sarapu Cup is on this Sunday from 1pm – 5.30pm. You need to register your child/ren and it will cost \$30 per player. This is the best tournament to see whether your children are ready for the Rotorua regional chess tournament which is on **Monday 24<sup>th</sup> August**. Don't worry if they don't do well in this tournament as there is still plenty of time to learn and practice. To register go to [Chesspower.co.nz](http://Chesspower.co.nz)>Tournaments>regional tournaments and scroll down the page to the event, or click on <https://www.chesspower.co.nz/event/351323> to register. Register before Saturday, and then login half an hour before the tournament starts on Sunday to let the organiser know you are ready to play.

*Hi, my name is Patricia and I work with children who struggle to keep up with their peers.*

Specific Learning Difficulties (SLD) such as dyslexia (a learning disorder that can cause difficulties with reading, writing and spelling) and dyscalculia (a pattern of difficulties characterized by problems processing numerical information, learning arithmetic facts and performing accurate or fluent calculations). This can affect the way your child achieves at school. I can help.

I am a Speld NZ teacher and I can provide evidence-based strategies and tools that will facilitate your child's academic achievement. If you need assistance send me an email. Teacher: Patricia Sabourin [nableyou@gmail.com](mailto:nableyou@gmail.com)

*I look forward to supporting your child to reach their goals.*

## **PLEASE SUPPORT THIS GREAT CAUSE - OUR BIN IN**

**Rotary Rotorua Passport Challenge!**

**Rotary Rotorua Passport Club** members have set themselves a challenge to each facilitate a collection of items to replenish the Salvation Army's food bank due to many families doing it hard through these challenging economic times.

If you're in a position to help others by donating an item of food (can, jar, baking ingredients, breakfast cereal, dinner ingredients such as sachets, biscuits etc) that would be greatly appreciated by our Rotorua community.

If you would like to participate and donate an item please drop off by **Friday 26th June**. We will have a container to drop items into at the school office and at the end of the month we will deliver these on behalf of the generous families of Lynmore Primary!

You'll also be able to follow your donation getting delivered on our Facebook page in early July.

Thanks!
