## Amazing Race

On Wednesday, 5th of August seven teams of six from Lynmore went to Kuirau park to compete against other schools in the amazing race. The amazing race is a competition that you compete in as a team to answer questions and do challenges to earn points. The team with the most correct answers and points wins. Some of the challenges included sack races, quizzes, finding answers to questions that were around Kuirau Park and much more. We really enjoyed this challenge and had a really fun day. The results haven't been announced yet.

A big thank you to Mrs G who gave us the opportunity, also a big thank you to CBOP for organising the event and lastly a big thank you to all the parent helpers that helped on the day, we couldn't have done it without you!

By Nicole and  
Elsie (Rm 1a)

**ROOM 25** - Retelling the story of The Three Little Pigs. Who had the power? The wolf or the pigs? In the beginning it was the wolf using his powerful breath to blow the straw and stick houses down but the pigs had the power at the end to make a plan by building a brick house and boiling a pot of water. The wolf never bugged them ever again.

## Library Trophy

Last week the trophy went to Room 17A for being wonderful role models and showing the school values. It was an absolute pleasure to have the class visit and to see them use and enjoy the new collection, the enthusiasm was a joy to see. Keep up the awesome effort.

## Library Competition

The latest library competition was to draw your favourite book character. With so many talented artists here at the school, it was a very tough call picking the winners of the competition. As you can see from the noticeboard photo the collection of art is wonderful, I'm so proud to have it on display in the library. The photo with almost all of the winners shows that they are very happy with their prizes.

All the best

## Local Parks and Reserve Survey - We would like to hear from you

Kia Ora,

We are emailing to let you know about a survey we are running to help Council better understand what our community values about local parks and reserves.

We acknowledge that the past couple of months has been a stressful time for many households in Rotorua, but it has also provided a unique opportunity for people to spend more time in their own neighbourhoods. COVID-19 Alert Levels meant people were using spaces close to home for recreation more than ever.

As we reflect back on that time, we want our community to share with us what they noticed about their local parks and reserves. Did you use them for exercise and leisure? Do you use them more now? What did you miss about having a local playground available?

Understanding how our community uses local parks and reserves, and what value people place on them, enables Council to effectively plan for future projects and work programmes.

We want to hear from you! Please take a few minutes to complete the survey and tell us what you value most about your local park or reserve.

Survey link - <https://letstalk.rotorualakescouncil.nz/neighbourhood-parks-and-reserves-survey>

Please share this with your friends, whānau and wider networks.

### Get the tamariki involved and win!

We want to hear from young people too! Get your tamariki to create a picture of the park or reserve that they like to use, and what they like most about it and send it in to Council for a chance to win a family pass for the Redwoods Treewalk and Family Aquatic Centre passes.
