

LIBRARY LEGO CLUB

Over 3 years ago the library decided to start a Lego Club for all the pupils here at the school. ***With the generous support of the parents at the PTA***, we were able to do this. Both of the lunchtime sessions per week have been very well attended by excited and eager builders. It has been an absolute pleasure to see pupils, especially the shy ones, come along and immerse themselves in creating. It has been lovely to hear pupils praise and admire each others builds and to work on creations together.

I would like to give a big shout out and thank you to the PTA for your support, you have made a lot of children, past and present, very happy.

FROM THE PRINCIPAL ...

End of year parent interviews (PEP's):

We have our Term 4 parent interviews (PEP's) on Tuesday 10th November, Wednesday 11th November and Thursday 12th November from 1.40 pm

The children will be part of alternative programmes for the afternoons on each of these days but if you prefer to pick your children up early you are most welcome to just let the child's teacher know.

The online booking forms will be coming home to you via See Saw.

New school class structure from 2021:

We have been working on a new way of structuring classes, year groups and teams from next year to allow for maximum flexibility and choice for parents and to be able to better tailor the class placement to your child's specific needs.

We are running an information session on **Tuesday, 3rd November in Room 8 from 3.15 pm and at 5.15 pm** for all who want to hear more about the class placement options for 2021.

Walking/Wheels Wednesdays – Term 4:

We are **closing the drop off zone** EVERY WEDNESDAY and running a walking and wheels to school day. We are working with the Rotorua Lakes Council to organise 3 alternative drop off areas in the community which should be in place by next week.

Innovative Streets Project:

This involves looking at a variety of traffic calming solutions and better access for cyclists and pedestrians on Iles, Owhatiura, Larcy Roads and the school drop off zone. You can read more about this project at: www.nzta.govt.nz/roads-and-rail/innovating-streets/about/pilot-fund

Yesterday a group of children looked at the current safety and access issues surrounding the school and they will be involved over the rest of this term with a group of 7 other children, a team from the Rotorua Lakes Council and myself to consider innovative solutions aligned to Tactical Urbanism <https://www.walkingaccess.govt.nz/about-us/news/tactical-urbanism-quick-cheap-solutions-for-aucklands-pedestrians-and-cyclists/>

It is a very exciting project to be involved in which aims to enhance their own neighbourhood.

Hats:

As it is now Term 4 we have swimming and children also must have a sunhat to wear. You can purchase the **school uniform hat from the office for \$12.**

Thank you.

FROM THE PRINCIPAL ...

Congratulations...

It is that time again...

If you received a trophy at Prizegiving last year, or know of someone who did, we need these back ASAP so we can have them engraved for this year's (2020) recipients. *Thank you to everyone who has returned their trophies already.*

**Please return these to the
school office —thanks!**

CHESS POWER NATIONALS - CONGRATULATIONS TO YOU ALL!

Team Lynmore did great in the tough tournament!

Koki (Room 5) gained Certificate of Excellence and the Onsite Champions Trophy (individual tournament) on the next day too!

On Saturday, 24th of October, Lynmore primary teams participated in Chess Power National tournament.

Two teams of six students each participated this year.

Onsite team (Koki, Bruce, Cameron, Parker, Jivan and Daniel) travelled to Auckland to compete at Alfriston College. They finished 10th out of 15 teams fighting against the toughest teams in New Zealand.

Another team got together at school and competed in online National event organised by Chess Power.

Online team (Marthinus, Chloe, Daniela, Will, Josh and Nathanael) finished 6th out of 13th.

Three of our students (Koki, Cameron and Jason) also participated in Champions Trophy on Sunday, 25th of October.

Jason competed in online event and finished 7th overall and 1st in the under 9 year group.

Yesterday chess players from Lynmore and John Paul College had a friendly lazer tag battle to celebrate hard work of our students.

FROM THE PRINCIPAL ...

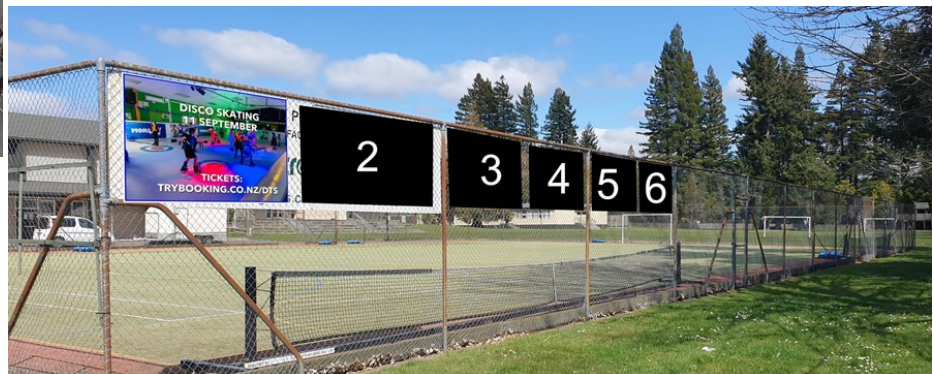

Sponsor the Fence - Update

We are replacing the sports surface (AstroTurf) and the surrounding fencing, both are over 20 years old. The combined cost of replacement of both is around \$170k.

We need to raise around \$55k to enable us to complete the entire project including:

- Removing some of the trees that drop leaves onto the AstroTurf along side Te Ngae Road.
- Replacing the fence

Once the new fencing is in place and some of the obscuring trees removed the two sides marked below have a great advertising opportunity along Te Ngae Road and Iles Road. We are therefore selling the option of an advertising space along the new fencing around the AstroTurf.

Costs for advertising signage for a 2 year timeframe are as follows:

Te Ngae Road side:

Per 1.5 x 1 metre advertising space

Sites 1-3 SOLD / Site 4 PENDING

Iles Road side:

Per 1.5 x 1 metre advertising space

Sites 1-3 Sold!

- ♦ Spaces are limited to a first in first served basis.
- ♦ Only one advert per field of business will be taken e.g. one real estate, one plumber, etc.
- ♦ Timeslot is for 2 years and then the signage will be taken down and replaced with new purchases
- ♦ You can purchase more than 1.8 x metre space for your advert.
- ♦ The school will produce the sign based on the graphics and words you send to us.

Te Ngae Road – 24 x advertising spaces available @ \$2,200 plus GST each

Iles Road – 9 x advertising spaces available @ \$1,500 plus GST each

To book your space (before they all go) email: reception@lynmore.school.nz

Many thanks

Lorraine Taylor
