CONGRATULATIONS TO OUR TAM ROBOTICS TEAMS

Last Saturday two teams of Lynmore children from TAM Robotics (coached by Jessica Wilkes) competed against 30 other teams in the Rotorua Regional Aquabots competition.

Team- *Soggy Potatoes* - Bruce, Cameron and Callum placed **1st overall**.

Team - *Minimakers* - Nadia, Alex and Koki placed **3rd overall**.

Both teams have qualified to attend the National Competition in Masterton at the end of November.

Teams had to drive their robots in a series of pool challenges, complete a quiz on cultural learning and present a 10 minute presentation to the judges on their build process and scientific learning.

***Awesome effort
and congratulations
to both teams.***

End of year parent interviews (PEP's)

Thank you to everyone who got along to our parent interviews this week and were able to get their PEP's completed with their children. The information is very valuable to us and will help us better personalise the programme for your child. Your child's end of year PEP report and achievement/ progress data will be out to you in the last week of term.

2021 Class Placements

We have begun the process of placing 670 students into classes – it isn't an easy task with often many variables, classroom, style of teacher, friends to stay with, friends to stay away from, composition of ages in the class, etc. etc. Hopefully you have had an opportunity to talk with your child's current teacher – we are gathering all of that information and should have much of the jigsaw together by the end of next week. If your child has specific additional needs we hope to begin the transition process for them in the last 3 weeks of the term.

Innovative Streets Project – Te Manawa o Owhatiura

This involves looking at a variety of traffic calming solutions and better access for cyclists and pedestrians on Iles, Owhatiura, Larcy Roads and the school drop off zone. You can read more about this project at: www.nzta.govt.nz/roads-and-rail/innovating-streets/about/pilot-fund More information and a video can be found at https://www.lynmoreschool.nz/190/embedded_items/3-video

Community Drop in Information Sessions – Te Manawa O Owhatiura

We have a community drop in session here at school on **Wednesday, 18th November 2 pm – 6 pm**. You can drop in anytime between 2- 6 pm and you will find representatives from the Rotorua Lakes Council here to help answer any of your questions or for you to add suggestions to.

Media Release for Te Manawa o Owhatiura

The Rotorua Lakes Council have released a media release for the above project which you can find in this newsletter.

Diwali Celebrations – Friday 20th November

We are excited to have a colourful mufti day planned for next Friday at school to celebrate Diwali. Children should come along to school in the most colourful clothing they can find and if your child has any traditional clothes representing your/their cultural background please do feel very welcome to come along looking fabulous in those too.

Te Ao Māori and Tikanga Māori Support Group

We are looking to re-establish a Te Ao Māori parent/ community support group to look at how we strengthen our skills and opportunities across the school. Anyone with an interest in Te Ao Māori is very welcome to join us – once we have a few people we will arrange our first meeting. Thank you to everyone who has already indicated they would like to join. We will start contacting people over this weekend to set up a first meeting date. Signing in at school

If you are coming to collect your child from school or are working in a class for the day as a parent help please make sure you sign in at the office. In the event of an emergency evacuation we need to know exactly who is present on the school site each day. Many thanks.

Congratulations

To **Nadia from Room 7** who took part in her first Speech and Drama Examinations last 31st October. ***She achieved her an Honours Plus grade.***

To **Aurora from Room 6** who scored well developed in every area of her Speech and Drama Exams ***earning her a Honours Plus grade.*** Well done Aurora!

To **Aurora from Room 6** who scored well developed in every area of her Speech and Drama Exams ***earning her a Honours Plus grade.*** Well done Aurora!

To **Callum from Room 4** who also did really well in his Speech and Drama Examinations. ***He passed his Initial grade exams with honours*** – well done Callum!

Congratulations also go to **Petra, Charlotte, Riki-Lee, Elsie and Claudia** on an amazing run with Aladdin Jr!" Your costumes, acting, singing and dancing were brilliant and you all did yourselves proud!

Congratulations to **Cody from Room 8** who was recently recognised at the Lake City Athletic Club, Winter Season Prize Giving for his achievements in Cross Country this year. Cody was awarded a ***1st for the U12*** Boys Cross Country Championship race and also ***won the Salt Cup club trophy*** for U12 Cross Country. We are super proud of you Cody!

As always, have a great week!

Owhatiura community collaborates on first Innovating Streets project for Rotorua

Te Manawa ō Owhatiura is a collaborative Eastside project to trial more child-friendly streets that allow tamariki to move safely around the community.

The project's working group is made up of students and staff from Lynmore School, members of Tatau Pounamu, NZ Police, Rotorua Cycling Action Group and Rotorua Lakes Council.

Working group members and Lynmore Primary School students Phoenix Kautai and Ellie Smith are proud to be part of the project to help others get to school and around the neighbourhood safely.

Phoenix says "Getting to school can be a hassle because it is not always easy for us... Sometimes I have to go around cars." Ellie agrees, and says "You can get used to going to school in the car, but I have more fun on my bike... If it is safer, more kids can go on their bikes."

The project will trial changing the way people in cars, and people walking or biking use Larcy Road, Owhatiura Drive and Iles Road. For example, it could explore if having more room to ride will make it safer for those with accessibility needs or young families on bikes, and if tamariki interacting with elements of play in the design will better enjoy their journey to school.

The working group will be seeking input on the design from local residents and businesses, Lynmore School whānau, as well as the accessibility community.

Lynmore Primary School's Principal Lorraine Taylor explains that it is not just the students who are set to benefit from the Te Manawa ō Owhatiura trial project.

"Working collaboratively with other local community groups means that we get to take a wider point of view, and share the benefits."

"When tamariki are given the chance to enjoy their journey to school, they arrive primed for learning. When their families feel safe about them biking or walking to school, the students gain more independence and confidence to achieve. And we can help them to do this by making our streets more than just a road for cars."

The design could trial extending the space for walking and biking onto the road; using objects such as planter boxes for separation from cars; or painting interactive pictures and games on pathways to add vibrancy and interaction. The advantage of the design being adjustable is that the layout can evolve based on feedback from the community.

Locals will be able to suggest any further additions or changes once they've experienced them on the ground through surveys and interviews. Any successful parts of the design could be made permanent, or be explored in other areas of Rotorua. To see if the changes to the streets will encourage more people to bike or walk through the area, for short journeys, data such as traffic counts, numbers of people walking and biking, and surveys about user enjoyment, will be collected throughout the pilot and compared with information collected before the Te Manawa ō Owhatiura trial began.

Waka Kotahi NZ Transport Agency is subsidising 90% of the \$100,000 project through the 'Innovating Streets for People fund', with RLC funding the remaining 10%.

In March 2021, the Te Manawa ō Owhatiura trial will go live for around 6 months. The community will be able to share feedback throughout the entire life of the trial project. The working group will monitor how different elements of the project helps locals to enjoy and interact with the space.

There are a range of Innovating Streets for People projects happening all over Aotearoa, but Te Manawa ō Owhatiura will be the first of its kind in Rotorua.

Learnings from the trial will help to inform any future Innovating Streets for People projects in other local communities.

For more information on Te Manawa ō Owhatiura, visit www.rotorualakescouncil/letstalk or contact cycling@rotorualc.nz.

Sponsor the Fence - Update

We are replacing the sports surface (AstroTurf) and the surrounding fencing, both are over 20 years old. The combined cost of replacement of both is around \$170k.

We need to raise around \$55k to enable us to complete the entire project including:

- Removing some of the trees that drop leaves onto the AstroTurf along side Te Ngae Road.
- Replacing the fence

Once the new fencing is in place and some of the obscuring trees removed the two sides marked below have a great advertising opportunity along Te Ngae Road and Iles Road. We are therefore selling the option of an advertising space along the new fencing around the AstroTurf.

Costs for advertising signage for a 2 year timeframe are as follows:

Te Ngae Road side:

Per 1.5 x 1 metre advertising space

Sites 1-3 SOLD / Site 4 PENDING

Iles Road side:

Per 1.5 x 1 metre advertising space

Sites 1-3 Sold!

- ♦ Spaces are limited to a first in first served basis.
- ♦ Only one advert per field of business will be taken e.g. one real estate, one plumber, etc.
- ♦ Timeslot is for 2 years and then the signage will be taken down and replaced with new purchases
- ♦ You can purchase more than 1.8 x metre space for your advert.
- ♦ The school will produce the sign based on the graphics and words you send to us.

Te Ngae Road – 24 x advertising spaces available @ \$2,200 plus GST each

Iles Road – 9 x advertising spaces available @ \$1,500 plus GST each

To book your space (before they all go) email: reception@lynmore.school.nz

Many thanks

Lorraine Taylor
