# FROM THE PRINCIPAL

*Kia ora koutou,*

This week has flown by really quickly and we are now heading into our Easter Holiday break. I really want to thank our school community for all of your support with our school gala donations. Your tamariki have been working really hard at creating some class products and lots of us have been working behind the scenes to pull off our biggest community event in 11 years. It is going to be EPIC!

## [School Gala - Thursday 4th April - School will finish at 2pm](#)

**Please note:** We are planning on finishing school at 2pm on the day of the Gala so we can get everything set up and be ready to go by 4pm. Thank you for your support on this. We will provide supervision if necessary.

Please see inside this newsletter for more details.

**We will need volunteer helpers - if you can help with the set up or help out on a stall on the night we will be very grateful. Please email your details to:**

## [Pasifika Festival Rotorua - Saturday March 23rd](#)

Our kids were amazing. Thank you to our parents, grandparents and siblings who came and supported us. This was another opportunity for our children to grow in confidence, celebrate their new learning and have lots of fun in a well run community event. That certainly was an awesome stage to perform on.

Have a fantastic Easter Holiday and look forward to seeing you all next week at our School Gala.

Ngā mihi nunui

# CATFISHING - TE WETA BAY...

Catfish are plaguing, damaging Rotorua's lakes, they eat everything. Bullies, smelt, trout eggs, they even eat each other - they eat all the native species. Lynmore School is trying to do our bit!

# MOKOIA ISLAND...

The island is a bird watcher's delight. Some of the bird species that can be encountered on the island include the Tui, Kiwi, Weka, Kokako, Pukeko (swamp hen), Papango (Teal), North Island Robin (Toutouwai), and Saddleback (Tieke). Many of the bird species are rare, and the North Island saddleback is even endangered. In order to protect these species, we are helping to keep Mokoia Island free of predators.

## Junior Team visits the Redwoods ... and Rocko!

The junior team enjoyed a trip to the Redwoods yesterday, walking along a portion of the Mokopuna trail, having a picnic lunch under the tall Redwood trees and visiting Rocko the rock snake. Each class created a rock to make Rocko even longer. On the way back we stopped at Neil Hunt Park to use the last of our energy on the playground. Along our walk we had to practice our road safety and we spotted many interesting things, including a piwakawaka (fantail), mushrooms, ferns and even found some Roto rocks which we re-hid for others to find. **A HUGE thanks to all the parents that joined us on the walk - we couldn't have done it without you.**

Check out some of the photos from our trip.

## BOARD OF TRUSTEES PANUI

Mauri ora e te whānau,

At our second Board meeting of the year on Monday night we reflected on it being four years since our first COVID lockdown, how challenging that time was for our staff and tamariki and how much has changed since then. We know that COVID is still present in our communities, but that for the most part people have learnt to stay home when they are sick and take time to rest and recover. Four years later, we also celebrate being able to come together as a community and enjoy our school Gala on the 4th of April, something we couldn't have done under the heavy alert level restrictions. We're so excited to be able to support our staff, tamariki and amazing parent helpers to bring this event to life and we hope to see you all there!

It was also really rewarding to see reports of our tamariki having positive experiences across the school/kura. Our staff prepare amazing reports so we can keep across our governance duties. This month we had reports on what's happening in each of the cohorts: Junior, Middle and Senior, and reports on our Positive Culture for Learning/PC4L, which is an evidence-based framework that looks at behaviour and learning from a whole school and individual student perspective.

For those of you new to our kura, or those who want more information about what the Board does, the Ministry of Education has a page on their website which you might find useful: [www.education.govt.nz/school/boards-information/board-objectives](http://www.education.govt.nz/school/boards-information/board-objectives). Basically, our job is to ensure the school is a safe place for all our tamariki to achieve their highest standard of education. We also need to give effect to Te Tiriti o Waitangi, supporting Māori education and localised curriculum and following the National Education Learning Priorities. As a governing body, we monitor policies that guide and support our staff and we keep a close eye on the budget as well as property and health and safety. Our Board meets once a month and any member of the community is welcome to attend. Our minutes are available in Kerrie's office and are available to read at any time. We also have a Property and Finance committee, headed by Daniel Gibbs who meets once a month prior to our Board meeting. With a school our size we have so many property and maintenance needs and this was a way for us to keep across it.

# BOT NEWS...

## BOARD OF TRUSTEES PANUI CONTINUED

On the property front, you may be aware that we have secured funding for a perimeter fence around the school. We have now agreed on a contractor and work will start soon. You will have updates as to what this means if areas of the school are closed off for short periods, but rest assured, there are strict health and safety protocols in place and this company has done similar fencing for many schools. We are also excited to have the mobile Dental Clinic coming in term two! It's been a while since we've had on site dental care and we're really happy to have this service available. The clinic will likely be set up by the turf, and again, updates about how that might affect access will be given at the time.

On the health and safety front, we have a couple of reminder notices about areas that make us vulnerable. Firstly, on the **carparks** (staff and gym) - these **are not drop off or pick up zones**. We sympathise that the roads around our school can be difficult and parking and walking your child in takes time. However, this rule is for the safety of all our students. We have heard of many near misses and we would hate for a tragedy to happen. Please respect the rules.

Another area we are vulnerable is unsupervised children. We would ask that you respect the rule to drop your children off **no earlier than 8.15am** and collect them **no later than 3.15pm**. Outside of these times we cannot guarantee their safety. If your child comes to school before 8.15am or stays after 3.15pm they must be in supervised care. One off instances can normally be accommodated by contacting your child's teacher. If you are struggling with this, please reach out to your child's teacher or Mary-Anne in the office.

Finally, on our website, under the "Our School" tab, you will find our Strategic Plan for the next two years along with our policies. If you wish to contact us, the best method is email [bot@lynmore.school.nz](mailto:bot@lynmore.school.nz) or anonymously via the box in the office. If you want to attend the next meeting, due to the school holidays we don't meet until 20th of May. Please email our Board secretary Kerrie [admin@lynmore.school.nz](mailto:admin@lynmore.school.nz) to confirm attendance.

We hope you all have a safe and happy Easter and look forward to seeing our community out in force the Thursday after for the School Gala!

## Screening for students...

As a school, we are working to remove as many barriers as possible that impact on student learning.

Within our school, this looks like carrying out on-going screening to look at characteristics relating to various needs (including, but not limited to, dyslexic characteristics, reading, writing and math barriers, Irlens characteristics and auditory/visual characteristics).

If any characteristics or barriers from these screens need to be further delved into, we will be in contact with you.
