# FROM THE PRINCIPAL ...

**Kia ora whānau,**

We have had another action-packed week at Lynmore School, with lots of exciting activities and learning opportunities for our tamariki. Here's a snapshot of what has been happening:

## **Bike Safety Programme**

This week, our Year 5 & 6 students have been participating in the Bike Safety programme with Aaron and his team. The programme supports our students in enhancing their biking skills through practical drills at school, progressing to a fully guided street riding experience. This allows our children to learn essential bike safety skills in context.

It has been wonderful to see the number of scooters and bikes filling our school racks each day. Congratulations to all riders and a big thank you to whānau for encouraging this healthy, sustainable mode of transport—so beneficial on all levels!

## **Lynmore School Road Patrollers**

Our volunteer road patrol students have completed their refresher training with the Rotorua Police this week. We are incredibly proud of the students who have stepped up to take on this leadership role for 2025. A special thank you also goes to our volunteer parents who are supporting these leaders at the pedestrian crossing each day. Your dedication plays a vital role in keeping our school community safe.

## **Community Performance**

We are looking forward to our second community performance of the year, featuring g Ihenga 6 and Whaea Dana. Each week, we celebrate the learning experiences of our students with a class item. These performances not only refine performance skills but also provide opportunities for students to step outside their comfort zone in a supportive environment.

## **Sporting Opportunities at Lynmore**

Congratulations to our tamariki who are playing netball and touch this term. Whaea Catherine, our Sports Coordinator, does an amazing job organising all of our sports teams. Please ensure you have the **SchoolappsNZ** app installed on your phone to stay up to date with all sporting opportunities.

## **Curriculum Development**

Exciting news—we have received our new Mathematics texts, *Maths No Problem*, which have been introduced across all classes. Over the past few weeks, we have also resourced each class with the hands-on materials needed for effective learning with this resource. Although these texts were assured to align with the refreshed NZ Curriculum (NZE), we have found that they do not fully match. However, our teachers will use these texts to complement their Mathematics programmes. Rest assured, the needs of your child remain at the heart of all learning experiences here at Lynmore.

## **Reporting to Parents**

Your child's **Personal Education Plan (PEP)** will serve as the main reporting document. We believe in working in partnership with whānau to capture student and family goals, enabling us to provide child-centred learning opportunities.

Additionally, we have started using one of the Ministry of Education's directed assessment tools e-asTTle, for Reading, Writing, and Mathematics for all students in Year 3 and above. For our Year 1 & 2 students, we will use the **Better Start Literacy Scope and Sequence** progressions, along with Numeracy and Literacy progressions from the

refreshed NZC. We will report to parents twice per year using these assessment measurements.

## Homestays for Japanese students

We are looking for two whanau who can take 2 students each. We have a group of 6 students who will be joining us for 3 nights from Wednesday - Saturday 26th to 29th March. They are arriving at 4pm on Wednesday and they will attend our school on Thursday and Friday. If you are interested can you please email [homestays@lynmore.school.nz](mailto:homestays@lynmore.school.nz)

Thank you for your continued support. We look forward to another week of learning and growth with our tamariki.

### Screening for students...

As a school, we are working to remove as many barriers as possible that impact on student learning. Within our school, this looks like carrying out on-going screening to look at characteristics relating to various needs (including, but not limited to, dyslexic characteristics, reading, writing and math barriers, Irlens characteristics and auditory/visual characteristics). If any characteristics or barriers from these screens need to be further delved into, we will be in contact with you.

Ngā mihi,

Lisa Groot, Deputy Principal / SENCO

## *Kupe Whare Ako*

1	Cooper	Integrity	For showing the school value Integrity. You know how to be a good role model by taking on classroom responsibilities. Cooper you also care for the school grounds, buildings and classroom equipment by using them correctly, and by tidying up after yourself. Miharo e hoa.
2	Alfie	Integrity	For showing the school value Integrity. Alfie it has been awesome to see you step up and become a role model in our class this year. Your manners, your enthusiasm towards learning and your willingness to show helpfulness and take on classroom responsibilities is such an asset to our class. Ka rawe Alfie, keep it up!
3	Tomas	Integrity	For showing the school value Integrity. Tomas it has been a pleasure being in your class over the past week. During this week I have seen you demonstrating integrity in everything you do. From your mahi to your play, the integrity you model makes you such an amazing role model to your peers and everyone in our kura. Kupe 3 are lucky to have you.
4	Toby	Integrity	For showing the school value Integrity. Toby, we admire your gentle and determined approach to learning. You are kind, patient and always try your best; especially with reading and new maths problems. As a result of your motivation and work ethic you have adapted to middle school life with ease. Keep being you Toby, Kupe 4 are lucky to have you.
5	Paige	Courage	For achievement in Courage. Paige has shown great resilience and adaptability in settling into a new school so well. She embraces new challenges with a positive attitude, always willing to give new things a try. Her curiosity and eagerness to learn are evident in the thoughtful questions she asks to deepen her understanding and grow her own knowledge. "Ka mau te wehi e hine!!
6	Lucy	Integrity	For showing the value of Integrity by stepping up when it matters most. This term, it has been noticed how willingly you take on the responsibility of road patrol, always being the first to volunteer when someone is away or sick. Your dedication and commitment is appreciated by everyone. We are so proud of the leadership you have shown and the positive example you set for others. Kupe 6 is lucky to have you!
6	Noah	Courage	For showing the value of Courage during our cycle safety sessions. Noah, you started out feeling nervous, but through determination and practice, you mastered the road with care, awareness, and skill. You successfully completed all that was asked of you, showing improvement and growing in confidence. It was wonderful to hear such high praise from our instructors about you, Noah. We are really proud of you!
7	Sage	Curiosity	For showing the value of Curiosity. Sage, you embody a sense of wonderment in all you do. You always have questions, insights, experiences and discussion to share with your peers and teachers. You apply this enthusiasm to all areas of your school life, and use your curiosity to spark personal connection to new environments and experiences. He tino pai koe!

## CONGRATULATIONS TO BLAKE, MAOKA, GEORGE AND JAMES...

*Chess continues to be a popular hobby for Lynmore students and there was a great turnout from Lynmore School students at the first Sarapu Cup Chess Tournament for 2025 in Rotorua last Sunday.*

*Lynmore students who entered were Blake, Maoka, George and James. George **won** the combined Pawns/Knights division with James a close **second** in that division. Blake was **second** in the challenging Bishops division. A fantastic achievement by our Lynmore students.*

*The next Rotorua Sarapu Cup is Sunday 9 March and will be held at Lynmore School Hall. It's a fun tournament that runs once a month on a Sunday afternoon. All students who know the basics of chess (ages 4 - 18) would enjoy the tournament and develop their skills. There are lots of opportunities to earn badges, certificates and trophies.*

# WASTE MANAGEMENT...

We invited Meghan, a Waste Minimisation Officer from the Lakes Council, to learn and discuss issues related to the waste around us.

This session is planned for all Senior Classes in Term 1. Yesterday was the first session, attended by Kupe 7.

We learned that, in terms of volume, the equivalent of 11 of my classrooms' worth of waste is sent to landfill every week.

As part of the lecture, we decided to set up a compost bin at the entrance of Waitawa Bush.

In Rotorua, approximately 30% of landfill waste consists of organic waste. By composting the organic waste generated at our school, we hope to reduce the amount of waste that goes to landfill, even if just a little.

We want to start with small steps.

We believe that if the Senior students who attended the session actively think and talk about waste in their classes and at home, and if each person's awareness of waste increases even by 1%, it will be the first step toward a more sustainable society.

Before and after school is a busy time for everyone. Parking rules help to protect our tamariki and keep them safe. Drivers who park illegally put our children at risk. Please park considerately.

## **Please don't :**

- Park across or within 1m of a driveway
- Park on a pedestrian crossing
- Park on yellow lines
- Park on the footpath
- Double park
