Wishing all our amazing Lynmore School students, and their whanau, an amazing holiday break.

Take care, enjoy and we look forward to seeing you all back for the start of Term 3 on Monday, 14th July 2025!

FROM THE PRINCIPAL ...

Kia ora koutou,

We've reached the end of a very full and rewarding Term 2 here at Lynmore School. It's been a term packed with rich learning experiences, opportunities to grow, and moments to celebrate.

ShowQuest Magic

A huge congratulations to our ShowQuest team who represented Lynmore School at the Annual EPIC Show last night. They were absolutely amazing and did us proud. Thank you to all the tamariki involved, and to the parents and whānau who came along to support—what a night to remember!

PEP Meetings

A big thank you to all the whānau who came in for PEP (Personalised Education Plan) meetings this week. These conversations are so valuable in setting goals and understanding your child's aspirations for the term ahead. If you missed your meeting, please get in touch with your child's teacher to arrange a time.

Triennial Board Elections

These important elections are coming up in Term 3. Keep an eye on our newsletter and SeeSaw for updates about parent nominations, closing dates, and voting timeframes. We encourage you to consider standing for election—we'd love you to come on BOARD to help govern our kura. If you have any questions or want to know more, feel free to pop in and see us.

Paint work

You would have noticed our school is getting some paint work done to ensure our environment is safe and accessible for a new student with low vision who will be joining us in Term 3. This includes making key areas more visible for her through the use of high-contrast markings and clear visual cues, which help support her independence and confidence when moving around the school. These changes are part of our commitment to creating an inclusive and supportive learning environment for all ākonga.

Term Break Wishes

Finally, we wish all of our families a safe and happy Term 2 break. Enjoy the time with your tamariki—whether it's adventuring outdoors, relaxing at home, or connecting with whānau. We look forward to seeing everyone refreshed and ready to go for Term 3.

BOT REPORT ...

TE PĀNUI O TE POARI / THE BOARD NOTICES

Mānawatia a Matariki!

We hope everyone was able to enjoy Matariki in a meaningful way. Our school Matariki celebrations were an example of our amazing staff creating a welcoming and totally-Lynmore School experience for our tamariki/children. We are so proud of our first hautapu ceremony. A massive ngā mihi/thank you to all our staff who braved the cold early morning start and to all our community who attended.

At our last Board hui/meeting we were shown reports about the activities happening at each cohort level - junior, middle and senior. And it's clear it's been a hugely busy term! Hopefully you all made a chance to check in with your child's kaiako/teacher at the PEP meetings this week and hear all about their amazing progress. The PEP meetings are so important as your involvement is key in your child's educational success.

We also received a comprehensive report about our English Language Learners (ELL) from our amazing ELL kaiako **Shadae Lemon**. It's so important that every child's culture is celebrated at our kura/school and we can see the passion that goes into making every ākonga/student achieve at their level while engaging with their heritage and background. What an awesome example of manaakitanga/support.

It was also time to view our mid-year academic statistics. We view our stats twice a year to ensure that every child is thriving. It's important to remember that the curriculum has recently been refreshed, meaning that the goal posts moved for our reports. Our kaiako have had to adapt to new learning progressions and then make overall teaching judgements to report against them. It's always challenging at year 3 and 5 when our children jump to a new area of the school and have to adjust to a new teacher and more advanced curriculum. If your tamariki are at those stages and you're concerned, hopefully your child's teacher reassured you at your PEP meeting.

BOT REPORT ...

TE PĀNUI O TE POARI CONTINUED

Having reviewed our data, and having the Education Review Office also recently evaluate our school systems and processes, we feel confident that we're on track. However, everything looks a little different as everyone gets used to the curriculum changes.

As always, we need to review policies each term. You can also view them any time on SchoolDocs (the link is on our website) and give your feedback. This month we reviewed planning & preparing for emergencies, disasters and crises, communication during an emergency disaster or crisis, emergency closure and physical restraint.

We have two more hui until the end of our Board term. Nominations for the next Board are going to open on the 18th of July. More information is going to come out soon about how the elections work. What you can do to prepare is make sure your details are correct with the office now so we can send voting papers to you. If you're thinking about getting involved and want more information, contact us at bot@lynmore.school.nz. Our Board's goal is to set the next one up for success to seamlessly continue all the mahi/work we've been doing over the past three years.

Our **next hui is on 28th July**, 6pm in the SLT office. Everyone is welcome to attend, you just need to let our Board secretary Kerrie know beforehand (admin@lynmore.school.nz). Our Board minutes can be found in Kerrie's office. Remember you can email us or leave feedback in the box at the office.

We hope you all have a safe school holiday. From The #TeamLymore Board

Our Kaupapa

Our kaupapa is to **enhance wellness** through **creativity and connection**.

We believe tamariki thrive when they feel **safe, valued, and seen**.

We celebrate the uniqueness of each child and create space for their strengths to shine.

Whānau Voice

“ Since my son has been attending SEEN Learning Collective he is **more confident**, much **happier** and says it is the best day of the week. He said his teacher Emma **isn't teacherish** and she should be on the news to tell other teachers how to teach students. I think it's because she has **empathy** and **understanding of his uniqueness**, autism and she gives students options. The students all get along well and the classes are small, so all students feel **safe** and **valued**. I would recommend SEEN Learning Collective to any parents struggling with mainstream schooling. ”

One Day School

A place for **quirky kids**, aged 6 to 10 to get creative! One day per week dedicated to slowing down and connecting with people that just “get” you.

Tamariki are engaged with **hands-on learning**, featuring; art, technology, kōrero, movement and play. We use a **mixed-age** approach that nurtures tuakana-teina relationships.

Each year, we visit nearly 5,000 local students, helping them learn about health, wellbeing, and making positive choices.
