FROM THE PRINCIPAL ...

Kia ora koutou,

Thank you for another fantastic week with your tamariki. It's always a pleasure to see the joy, growth, and learning that happens across our kura each day.

Hinemoa 6 Community Item – 28th Māori Battalion

Last Friday we were privileged to witness an outstanding performance from Hinemoa 6, who presented a powerful tribute to the 28th Māori Battalion, dedicated to our local kaumātua, Koro Bom Gillies. If you were fortunate enough to attend, I'm sure you'll agree that our local histories curriculum is in very good hands. Ngā mihi nui to the Hinemoa 6 team for your expertise, confidence and respect.

Chess Power – NZCF Bay of Plenty Interschool Competition

Today our Lynmore School Chess team is in Greerton for the NZ Chess Federation Bay of Plenty interschool tournament. We know they'll represent us with pride, focus, and strategic flair. All the best, team!

Year 1 Trip – Rotorua Settlers and Steam Museum

Our Year 1 students are off exploring the Rotorua Settlers and Steam Museum today! This museum offers a hands-on opportunity to learn about life in the early 1900s—how people lived, worked, and travelled. Tamariki will see working steam engines, traditional Māori and European artefacts, early settler life, and preserved buildings, all nestled in beautiful heritage gardens. It's a wonderful way to ignite curiosity about our past.

Board Elections

A heartfelt thank you to the parents who have put their hands up to serve on our Board of Trustees. Your willingness to support the governance of our kura ensures we continue to grow as a strong, student-centred, future-focused learning community.

Robocup Theatre Nationals

Tomorrow, Whaea Whaiatua and our talented Robocup Theatre team—Griff, Emika, Jonty and Willow—head to Nelson to compete in the national finals. We are so proud of your innovation, teamwork, and creative flair. Kia kaha and have a wonderful experience!

Ngā mihi nui,

Waiariki Mana Ake for Schools

Waiariki Mana Ake – Here to Support Our Tamariki and Whānau

We are lucky to have Waiariki Mana Ake working alongside our school to help promote the wellbeing and positive mental health of our tamariki and whānau. Their team works with schools to strengthen the support we already have, connect with other services in our community, and find the best ways to meet the needs of our learners.

Waiariki Mana Ake can support tamariki in a variety of ways – either one-on-one, in small groups, or with whole-class sessions – depending on what is needed. They also work closely with families, offering advice, strategies, and connections to other services if needed.

Some areas they can help with include:

Building self-esteem and confidence

Making and keeping friendships

Developing social skills

Strategies to manage emotions and stay calm

Reducing worries, anxiety, and low mood

Grief and loss support

Helping with family transitions (such as moving house or changes at home)

Support for anger and frustration

Cultural identity and belonging

Emotional literacy – recognising and talking about feelings

Helping whānau set up daily routines at home

If you think your child would benefit from support, please reach out to your Teacher so we can talk together about what might help.

BOT NEWS...

TE PĀNUI O TE POARI / THE BOARD NOTICES

Whāia te mātauranga hei orange mō koutou. Seek after learning for the sake of your wellbeing.

Did you know that on the 1st of August 1987 Te Reo Māori was recognised as an official language in Aotearoa, New Zealand? As one of our country's three official languages, it's important to us to embrace all aspects of the language and the culture, which is why we're so excited about the changes coming to our branding and identity. Our goal is to make it obvious from the first moment you enter our kura / school that you are in a learning environment in Aotearoa. Our new logo, and in turn, our new uniform, is designed intentionally, with care and recognition of our whenua / land. You will soon be asked for your feedback on the new uniform. Hinei and her team have put a lot of energy into getting the design, fabric and fit right for all our tamariki with thoughtful consideration to price and wearability. We hope you will be as excited as us to embrace the new look for Te Kura o Owhatiura / Lynmore School.

We had our second to last hui on Monday 28th of July. And it was a full and exciting meeting discussing the strategic direction for our kura in the next three years. Our Senior Leadership Team - Tumuaki / Principal **Hinei Taute** along with Kaitiriwā Tumuaki / Deputy Principals **Michael Cunliffe**, **Lisa Groot** and **Karen Belt** led us through their goals and aspirations for our tamariki / children. The Board's job is to own and approve this guiding plan by consulting with the parent and caregiver community to understand your goals and aspirations for your tamariki. This plan will need to go into effect in January 2026, and as a new Board will soon be in place, we wanted to set them up for success by getting a jumpstart on this plan. You can expect to hear from us soon for your feedback.

You will have noticed the building work has started in the gym. We have tried to make as little disruption for our tamariki so we will continue to use this space for as long as possible. Safety barriers have been put up in both carparks, and carpark space is even more challenging than normal. This is a reminder to **please not drop or pick up your tamariki from either carpark**. It's very unsafe and as it's our job to ensure a safe environment for everyone, we ask for your assistance.

BOT NEWS...

TE PĀNUI O TE POARI CONTINUED

As you know, the current government has a big focus on education. This means constant changes for our staff, not just in curriculum but in processes and funding changes / cuts. One of the areas under the microscope is attendance and it's our job to ensure we have good strategies to meet the government's goals. We continue to monitor attendance levels and support our staff in this area. Please continue to inform your child's teacher absences and reasons why, and if you are having any issues, reach out to them or to Mary-Anne in the office.

This term we are reviewing three policies: Child protection, Abuse & Reporting, and Safety Checking. We encourage anyone in our community to view and or/ comment on our policies via the online SchoolDocs tool (link is on our website under Policies). These are what governs us, so it's important we check and update them regularly.

Just a reminder that it's Triennial Board election time! Nominations are still open until **12pm on the 6th of August**. If we go to an election (meaning we have more than five parent elected nominations) then the voting papers will be sent by the **13th of August**. The new Board will officially take office on the **17th of September**.

And lastly, a big shout out to our **Tumuaki Hinei Taute** from the rest of the Board. Last week was Tu Meke Tumuaki day, where you celebrate the leader of your kura. Our staff and tamariki did an amazing job showering her with all our appreciation and we also did a small celebration at our hui. It's not an easy job running a school but she makes it look effortless with how much she juggles. She always goes above and beyond, putting our tamariki at the heart of every decision she makes - Ngā mihi ki a koe, you are tu meke!

As always, if you need to contact us, you can email bot@lynmore.school.nz or anonymously in the box at the office. Our Board minutes are kept in Kerrie's office and are available to anyone to view. Our next (and last!) hui is on Monday 25th August at 6pm. Anyone is welcome at these hui, you just need to let Kerrie know at admin@lynmore.school.nz
